How PokéTrade Works

Find Cards

Browse through thousands of listings from trainers worldwide, or list your own cards.

Connect

Securely message other trainers, discuss potential trades, and build connections.

Trade

Initiate fair trades with verified users, negotiate terms, and complete transactions.

Collect

Expand your collection with new and rare Pokémon cards, hassle-free.

Why Trust PokéTrade?

Verified Users

All traders undergo a verification process to ensure a safe community experience.

Secure Trading

Our platform provides encrypted communication and robust trade dispute resolution.

Community Driven

Join a vibrant community of Pokémon enthusiasts who share your passion.

Ready to Expand Your Collection?

Explore All Cards

Your trusted platform for Pokémon card trading and collecting.

Trade Chat with Ash Ketchum

Ash Ketchum

Hey Misty, I'm really interested in your Charizard. What are you looking for?

You

Hi Ash! The Charizard is a tough one to let go. I'm hoping to get a Blastoise and Venusaur for it.

Ash Ketchum

I can do the Blastoise and Venusaur from Base Set. Those are both Holo Rares, a fair trade I think.

You

They are, but the Charizard is in near-mint condition. Would you be willing to add a Pikachu Jungle Set to sweeten the deal?

Ash Ketchum

Hmm, that Pikachu is one of my favorites. Let me think about it... Okay, for the Charizard, I'll add the Pikachu. So, Blastoise, Venusaur, and Pikachu for your Charizard. Deal?

You

Sounds good to me, Ash! I'll propose the trade with those cards.

Question about Trainer Card Legality in Standard Format

Can someone clarify the legality of certain older trainer cards in the current Standard format? Specifically, I'm confused about Quick Ball and Professor's Research reprints.
